Wish-come-true

©2011 Those Characters From Cleveland, Inc.

©2011 Those Characters From Cleveland, Inc.

Tic-Tac-Toe

The object of Tic-Tac-Toe is to get three in a row. The first player is known as X and the second is O. Players alternate playing X's and O's on the game board until either opponent has three in a row or all nine squares are filled. X always goes first, and in the event that no one has three in a row, the tie game is called cat's game!
